

# DAY ONE POLICIES AND SAFETY

Name: \_\_\_\_\_

1. Reading Assignment
  - a. **Read Syllabus and Tech Specs assignment**
  - b. **Also materials from the assignments I gave you over the summer. (If you didn't do them, ask a neighbor.)**
2. Lecture—Welcome to CSN
3. Individual work
  - a. Begin working on packet
    1. Start with Scavenger Hunt so you can get used to the layout of the room.
    2. Work on the Personal Project, which is due MONDAY

## Reading Questions:

1. How much is your final project worth each semester?
2. What is the percentage of your class work?
3. How can you get ahold of me?
4. Did you log into the class website? Where do you find it?
5. What is the best way to contact me if you're going to be absent?
6. Where do we do our flashcards for review?
7. Where will you always find a test review for the test (not the same answer as six).
8. What certification do I want you to do this year?
9. When do you get to start doing tech support?
10. What is my email address?
